Spotsylvania County Health Department and Rappahannock Health District participate in the Every Woman's Life (EWL) program, a public health program that helps uninsured, low-income women gain access to free breast and cervical cancer screening services. Screening and early detection reduce death rates and improve treatment options.

To learn more about the Every Woman's Life Program, please visit the [website](#) or call the Fredericksburg Health Department at 540-899-4142. The Health Department hours are from 8:00 am to 4:30 pm Monday through Friday and Every Woman's Life clinic hours are by appointment only and held on the first Monday of each month.
