Tidewater Veterans Memorial is a tribute to veterans from the area. The Tidewater Veterans Memorial is located at 19th Street and Jefferson Ave, across from the Virginia Beach Convention Center.

From concept to reality, the memorial is now a part of the great legacy of service rendered by the military of this area. It was dedicated on Memorial Day, May 30, 1988. It honors the service and sacrifice of all Tidewater veterans from the American Revolutionary War to the War in Iraq.

Tidewater is proud of its veterans and with this memorial pays everlasting homage to these soldiers who have given their all, sacrificing everything, so that freedom and democracy would thrive forever.

Contact the Mayor's Veterans Committee for information and history. Charles Montgomery, Jr is Chairman
