James River Home Health Care offers skilled nursing services in your home. Home care nurses and social workers work with you, your physician and your family to assess your needs and develop a personalized plan of care.

Skilled nursing services can include wound care and dressing, respiratory therapy, ostomy care, medication administration and IV setup and maintenance. Care is available for neurological diseases such as ALS, Parkinson's and MD, as well as stroke and cardiac care.

Other services available include physical, occupational and speech therapy.
