Compass Youth and Family Services' Mental Health Support (MHS) service is an intensive, home-based service that is designed to assist the client in obtaining independence or stability within the community. The program is available to older adolescents and adults who have long term mental health needs, cognitive

deficiencies or dual diagnoses.

The Compass staff are guided by a curriculum that focuses on 7 core competencies to promote independent living while managing mental health symptoms and needs.

- Housing and Transportation
- Mental Health
- Employment
- Money Management
- Self-Care and Daily Living
- Personal Development
- Parenting
