Call for Information

The Good Will Network was created to ensure that patients without healthcare insurance would have access to affordable, quality, comprehensive healthcare.

The providers in this network have all agreed to give a cash discount for patients who have no insurance. The cash discount covers the office visit. Office policies and restrictions do apply. Most physicians will also provide cash discounts for other services that are provided on site.

There are currently two Free Clinics that offer this program. Loudoun Free Clinic and Arlington Free Clinic.
