The Compounding Center offers a customized approach to addressing the pharmaceutical needs of its clients.

Our experts are able to prepare:

- Uniquely prepared dosage that addresses the needs of each individual.
- Medications that are currently not commercially available
- Medication free from ingredients that could have adverse effects on health including dyes, sugar, lactose and alcohol
- Custom dosage forms not currently available like “chewies”, lollipops, transdermal gels
- Mixtures of compatible medication into single a dosage for easier administration.
