VCU Health System offers Senior Services and Continuum Integration. This program is not a dementia clinic but an Ambulatory Care clinic with Geriatric Specialties. The multi disciplinary team collaborates with other professionals in the health system.

The Team offers

- Doctors and nurse practitioners who will provide your medical and mental health care
- Clinical nurses to help you and the team coordinate your care
- A social worker to help with community resources and advance care planning
- A psychiatrist to help with therapy and medications
- A pharmacist to help you learn how to manage your medications
- Administrative staff to coordinate office visits and answer calls

After hour care is provided 365 days a year by a faculty member. Call 804-254-3500 for information.(

Please call for more information.
