Sentara RMH Behavioral Health provides a full range of mental health and chemical dependency services for adults, seniors, adolescents and children. Providers understand the individual and emotional needs of each of our patients, and respect their right to be given treatment options and to participate fully in their counseling, treatment and recovery.

The center provide a comprehensive approach to care by providing a variety of treatment opportunities that promote individual, family and community wellness. If a patient is currently receiving outpatient mental health treatment, providers will work closely and confidentially with the current therapist or physician to develop treatment and after-care plans.

If you are having a psychiatric emergency call 540-689-1000 and ask for the PET Team to be paged.
