FirstLight Home Care of Shenandoah Valley offers companion care services in your home. In-home care for adults of all ages is available wherever and whenever it is needed. Caregivers at FirstLight are compassionate, caring, sincere, experienced, and attentive. Dementia care services are also available.

Whether for seniors that need some assistance to stay in their homes, families with members who have special needs or disabilities, those recovering from an illness or surgery, or even people who just need someone to talk to and visit with, FirstLight caregivers can provide services for several hours a week up to full time, live in situations.

Companion care can include medication reminders, meal planning, and preparation, light housekeeping, laundry services, regular visits, company and conversation, shopping and errand services, routine and incidental transportation, recreational activities, mail, and paperwork organization, live-in services, and more.

Please contact the office for more information. Personal and respite care is also available.
