Piedmont Community Services offers licensed services provided to consumers in a small living arrangement, usually two or three consumers living in a shared home or apartment. Supportive and training services are provided in a private home environment. These individuals receive a array of other services from Piedmont Community Services, including services from our private affiliates. Services available include work and day support services. Piedmont Community Services helps transition consumers back into the community after long-term placements, most often at state training centers.

For Crisis Services on Monday through Friday from 8:00 am until 5:00 pm, call:
