Healthworks for Northern Virginia offers case management, outreach and referral services.

Our Behavioral Health Program services include

- Case management, including assistance in identifying community resources and helping with linkage to those resources
- Evaluation and crisis intervention
- Ongoing counseling and therapy
- Patient education
- Evaluation and ongoing treatment by a psychiatrist with medication management as indicated

HealthWorks' behavioral health staff can help patients develop skills to modify behavior, such as losing weight or quitting tobacco, and skills to effectively manage emotional or behavioral difficulties.
