Alzheimer's Disease Facts and Figures 2021

2021 Alzheimer's Disease Facts and Figures is a statistical resource for U.S. data related to Alzheimer's disease, the most common cause of dementia. Background and context for interpretation of the data are contained in the overview. Additional sections address prevalence, mortality and morbidity, caregiving and use and costs of health care, long-term care and hospice.

A Special Report addresses *Race, Ethnicity and Alzheimer's in America*.

Please follow [this link](#) to read the full report.

The **Alzheimer's Association** is the leading voluntary health organization in Alzheimer's care, support, and research. Our mission is to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health.
