Hospice services are provided in the patient's home, whether that is a home address, nursing home, assisted living community, or other location. Care is focused on the physical, spiritual, and emotional needs of both the patient and his/her loved ones.

Nursing services are available 24 hours a day, seven days a week.

Other features include:

- Assertively manages the patient's pain and symptoms
- Provides medications related to the illness for symptom control and pain relief
- Provides spiritual care support through experienced chaplains and social workers
- Offers volunteers for companionship and support
- Assists with bereavement care and counseling to family and caregivers
