Henrico Area Mental Health and Developmental Services (HAMHDS) Intensive Care Coordination (ICC) Services uses the High Fidelity Wrap Around Model to maintain youth in a home-like setting. Youth who have been involved with significant behavioral health intervention and who are at risk of being placed at a residential facility can be referred for this service. The ICC coordinator works with the family to identify supports, services and develop a detailed crisis intervention and prevention plan. The ICC coordinator facilitates monthly family and team meetings and provides support to the family insuring their needs are being met by service providers.
