Region Ten Community Services Board (RTCSB) Mental Health Skill Building Services (MHSS) are designed to help a person with serious behavioral health disorders

understand their condition and establish personal recovery goals. Recipients learn and practice skills important to achieving psychiatric stability, independent living and becoming a productive member of the community. MHSS includes training in the following areas:

- skills related to the individual's health and safety, activities of daily living and use of community resources,
- assistance with medication management and monitoring health, nutrition and physical condition.

Service Area(s)

Albemarle County
