Neighborhood Health Services, Casey Health Center, is a Community Health Center which is a non-profit private corporation located in a medically underserved area to provide comprehensive primary health care to anyone seeking care.

Neighborhood Health offers family and internal medicine, pediatric, women's health and behavioral health services.

In addition to treating individual patients, a health center emphasizes health promotion and disease prevention for entire communities. A Community Health Center does not deny anyone primary health care services. All community residents have equal access regardless of ability to pay, geographic locations/residence, culture, age, sex or religion.
