At Northway Apartment Homes is home to 72 households that have moderate incomes. The community offers modern one, two and three bedroom apartments that are comfortable and energy efficient each with its own patio or balcony, fully equipped kitchens. A convenient laundry center on-site.

The Community Center is a favorite as well. Residents can participate in a variety of games, activities and services that include education, training and youth programs. Local religious, civic and city / county representatives collaborate with our professional on-site staff to provide fun and interesting opportunities for our residents. Residents also enjoy time out-of-doors at one of our playgrounds, our picnic and sitting areas or walking path.
