Smart living starts at River Trace Apartment Homes. Smart in design, offering modern one and two bedroom apartment homes that don't skimp on space, efficiency or comfort. Recent upgrades include a fun-filled playground, beautiful landscaping and aesthetic improvements that make River Trace feel even more like home. Smart in location, sitting just off the cross roads of Bland Boulevard and Warwick Boulevard in Newport News, River Trace is convenient to everything. Schools, shopping, entertainment and recreation are within a few blocks and major highways and byways are only minutes away. Smart in affordability, with rents below the average so that those individuals and families with moderate incomes can

afford to live comfortably. Energy efficiency has been integrated into every home at River Trace with the recent addition of efficient appliances, fixtures and HVAC systems. We also include water, sewer and trash in your monthly rent
