Johnson Health Center at Rustburg Community Health Center offers mental health programs such as case management and referral program, medication management, short term counseling and more. You can use this service without being a current patient at Johnson Health Center. The case managers can coordinate treatment plans for individuals with issues such as mental illness, eating disorders, or substance abuse. The case managers assess the individual's mental states, help them set long term goals and connect them with the resources they need.

Service Area(s)
Campbell County
