Circle of Friends, LLC offers two types of Respite Services for individuals with diagnoses that include but are not limited to autism, intellectual disabilities, mental health issues, developmental disabilities, physical limitations or a combination of these disorders.

Residential Respite Care takes place in Circle of Friends residential homes, as space is available. The staff assists with personal care such as dressing, bathing, medications and personal hygiene. They also help individuals with preparing meals, bed making, grocery shopping and supervision in all activities.

Group Activity Respite Care helps individuals establish friendships with their peers as they interact in group settings. Activities include special events, tennis, hiking, bowling, arts and crafts and other interests suggested by the individuals.
