United States

The Heart Walk is the American Heart Association's premiere event for raising funds to save lives from this country's No. 1 and No. 3 killers - heart disease and stroke.

Designed to promote physical activity and heart-healthy living, the Heart Walk creates an environment that's fun and rewarding for the entire family.

This year, more than 1 million walkers will participate in nearly 350 events. Your participation will help raise even more in the fight to save lives. Walk with friends, family, coworkers or strangers you'll bond with along the way.

Heart Walks in the Western Virginia area can be found by [visiting the website](#) for

dates and information.
