[Apply for a Dementia Home Care Grant](#)

HFC® (formerly Hilarity for Charity) and the Home Instead Senior Care® network are working together to award home care grants to those providing care to their loved ones living with Alzheimer's disease or other dementias. The home care grants will be awarded across the United States and Canada. While there is currently no cure for Alzheimer's, there is care. The goal of the home care grant is to provide exceptional home care to families affected by this disease, and to give these families support and rest. These grants are facilitated by Home Instead Senior Care, where available. **These grants are for respite care hours, there is no cash value.**

For more information about the **Recharge Relief Grant** or the **Extended Relief Respite Grant**, eligibility for caregivers, and how to apply go to: [Help for Alzheimer's Families](#). HFC will only accept online applications. Any other type of application submitted will not be eligible for review.

The HFC Application Review Committee will review applications on a bi-monthly basis. After completion of the application you will be contacted within 60-90 days via email. All applicants will be notified of their status.

If you have any questions, please contact hfcinfo@homeinsteadinc.com. Please add hfcinfo@homeinsteadinc.com to your contact list in order to receive your application status emails promptly. If you are not receiving our emails, please check your spam, junk or clutter folders.
