Compassionate Care Group Homes, CCGH, provides an independent residential living for adults with intellectual disabilities. Many programs are offered with the residential homes and are all based on values of the individuals that they are respected, belong, self-directed, and recognized for their inherent value as a unique person. Their mission is to provide 24-hour supervised residential care in a home-like setting for adults with intellectual and developmental disabilities. They strive to promote skill development, progressive use of leisure time, community socialization, and personal development to be able to live, work, and be an active citizen in the community.
