Strategic Therapy Associates offers a Mental Health Skill Building Program. Work is provided with adults in their homes and in the community to provide goal-oriented training designed to restore functioning. Staff will help adults

- Maintain stability by improving life skills

- • Improve problem solving skills
- • Develop skills needed to follow prescribed treatment
- • Improve skills needed to stabilize emotions
- • Learn to access resources in the community
- • Develop skills needed to engage in positive interpersonal and social interaction

Please call for more information.
