VCU Health System has a Parkinson's and Movement Disorders Center, including a Huntington Disease Program. They provide access to clinicians from a variety of disciplines in one location. For patients, whether it is your first appointment with VCU Health or you've been with them for years, you can find all the information you need there.

To make an appointment with the Huntington Disease Program please call the HD Program Coordinator at 804-360-4669.
