The Temporary Assistance for Needy Families (TANF) program provides eligible families with a monthly cash payment to meet their basic needs. Participants may be provided with transportation expense. Other services may include job skills training, work experience, job readiness training, child care assistance, transportation, and other work related expenses.

Visit <u>TANF</u>at Virginia Department of Social Services for more information and how to apply only using CommonHelp.

The TANF program initiative has time to limited benefits, a strong work requirement, and a social contract that sets out the responsibilities of and expectations for recipients of public assistance and the government.
