Rapp at Home offers individual and in home assistance. Help can include changing a ceiling light bulb or providing resources for your home for senior-friendly living.

Handyman services can include yard work or help with cleaning up clutter. Rapp at Home can help find special needs such as home or car repair or if you need a prescription picked up or groceries.

Rapp at Home can also help in times of crisis, such as getting a hospital bed set up in your home after an unexpected medical emergency, helping to find home health aides or respite caregivers, etc.
