Kemetic Services LLC group home residential service shall consist of skill-building, routine supports, general supports, and safety supports that are provided to enable an individual to acquire, retain, or improve skills necessary to successfully live in the community. They understand that becoming a resident requires a period of adjustment for both the family and the individual. Therefore persons served will be continually nurtured and provided additional support during the transition phase.

Potential residents will have a diagnosis of intellectual disability or dually diagnosed with an intellectual disability coupled with a mental health DSM IV recognized diagnosis. Contact Kemetic Services LLC for a tour and full review of services.
