The Clifton Forge Health Department has an Environmental Health Division that is dedicated to protecting its citizens from preventable risks to human health and the environment where they live, learn and work. Emphasis is placed on education and public awareness of health concerns, as well as on regulatory authority.

Program services include education, monitoring, and code enforcement of food sanitation, rabies control, public swimming pool sanitation, tourist establishment sanitation, onsite sewage disposal systems, wells, vector control, lead-based paint poisoning prevention, and numerous general environmental health complaints, issues, and concerns. Please visit the <u>website</u> for a detailed description of these programs and services.

The Clifton Forge Health Department is part of the Alleghany Health District and an affiliate of the Virginia Department of Health.

Service Area(s) Alleghany County
