Parenting Matters offers Parental Support Services such as Supervised Visitation, Family Reunification, Co-Parent Seminars, Safe Exchanges, and Parenting Classes. Parent support includes education, role modeling, and guidance that presents the tools parents can use to establish effective parenting between parents with children and support systems through Positive and Active Parenting Skills. These skills are focused on healthy living foundations for families through safe and thought-out strategies that encourage parents and children to develop into positive, productive, independent members of the family and community.
