River City Inclusive Gym (RCIG) provides a safe and positive environment where children, teens, and adults with disabilities can improve social skills, motor skills, and self-esteem through group gymnastics and fitness training.

The RCIG Coaches challenge the athletes weekly to help facilitate coordination, strength, endurance, communication, and social skills. Each River City Inclusive Gym class is challenging, and adaptations are made on the spot in order to meet the needs of the athlete.

Additional activities include mobile field trips, field trips, birthday parties, and other events.
