Touching Lives Care Services LLC (TLCS) provides 24-hour supervision to residents in the group home. Residential support and services include, but are not limited to:

- personal care assistance
- medication management
- money management
- functional skills assessment and development
- behavioral/coping skills assistance
- community resource utilization
- nutrition
- health care and coordination and assistance
- access to and assistance with social/recreation opportunities
- assistance to develop natural supports and friends among individuals with disabilities

The goal is to help those with developmental disabilities live their lives to the fullest while creating an atmosphere that encourages the participation of residents' families in their day-to-day lives. They strive for the best, creating an atmosphere that promotes self-respect and independence and improves all the residents' quality of

life. They use the team approach and require that comprehensive services based on individual needs, interests, and choices be provided for each consumer. Services are fostered towards the personal growth and independence of the individual, provided by staff committed to the TLCS philosophy.
