English

The Staunton-Augusta Health Department offers a pre-admission screening process for individuals seeking Medicaid coverage of long-term care services. Requests for screenings, however, need to be made through the Department of Social Services.

An in-home assessment is done by a registered nurse and a social worker and referrals for other community-based resources are made. Contact your local [Department of Social Services](#) for an appointment.

Service Area(s)

Augusta County

,

Staunton City
