The Prince William Health Department Environmental Health Division provides services, often behind the scenes, to ensure that our environment, natural and manmade, is safe for those living in the Prince William Health District. This division is divided into the Consumer Services Division and the Onsite Well and Water Division.

The Onsite Well and Water Services Division is responsible for the oversight and regulation of sewage and water environmental health throughout Prince William County, Manassas, and Manassas Park.

Service Area(s)

Manassas City

,

Manassas Park City
