Whether you have been noticing changes in your memory or are curious so you can stay on track, we can help. Sunday Health delivers holistic cognitive care and hands-on support to individuals and families, including:

- Comprehensive brain health screening using advanced, clinically validated tools.
- Convenient virtual visits with your dedicated care team.
- Practical and holistic care plan with personalized guidance on sleep, exercise, nutrition, medication, and even social and spiritual health.

We offer a high-touch, modern approach to cognitive care that is accessible and covered by Medicare. Services are currently offered virtually.
