No Fee

Payment Method(s)

Community Living Waiver

Languages Spoken

English

The Sponsored Residential Program enables individuals with intellectual and developmental disabilities to live and thrive as part of a family in their local community. This can be an ideal alternative to institutional living or placement in a group home. Becoming a sponsor caregiver can add joy and security to both the sponsor family and the individuals they serve.

Counseling and Advocacy Associates Sponsored Residential Program is a holistic residential support program for individuals who are enrolled in the Community Living Waiver (formerly the DD and ID waiver).
