Event Description

This virtual Veteran Peer Support Group is facilitated by women veterans in order to more effectively address the needs of the veteran, National Guard, and Reservist communities by providing a relaxed and confidential environment to share past military and current transitional experiences with other veterans, focusing on the unique experiences as women.

VVFS groups employ a peer-to-peer support format which strives to foster support for members by improving self-reliance, self-advocacy, and by encouraging each veteran along her own path to behavioral health wellness. These occur every first and third Tuesday of the month.

Please reach out to Khadija Smith (khadija.smith@dvs.virginia.gov) for more information about this group.
