Join NDI's Small Business Hub and the ABLE National Resource Center for an insightful webinar, Empower Your Business with ABLE.

Entrepreneurs and small business owners with disabilities face unique financial challenges and ABLE accounts can be a game-changer. This session will explore how ABLE accounts support business owners in 2025 and beyond, helping you maximize financial security while maintaining essential benefits.

If ABLE isn't yet a part of your business strategy, now is the time to learn how it can enhance both your financial future and your employees' success.

**Topics Include:**

- ABLE account eligibility
- ABLE plan features
- Contributions & the ABLE to Work provision
- Work-Related Qualified Disability Expenses
- How ABLE can serve as a financial resource for employees

Don't miss this opportunity to discover how ABLE accounts can fuel your entrepreneurial journey!
