HOME CARE REGISTRY

WHAT IS THE HOME CARE REGISTRY?

The Home Care Registry is a list of people who offer companionship and assistance with activities of daily living to older adults and adults with disabilities. The Registry is managed by the Home Care Development Program, Adult and Aging Division, Department of Family Services. It provides a link between people in need of home care services and people who have contacted the Home Care Development Program stating they are interested in providing the service. Assistance can be on an on-going or one-time only basis. This may include, but is not limited to such tasks as light housekeeping, grocery shopping, meal preparation, reminders to take medication, or personal care (depending on the provider's level of training). The fee for the services is negotiated between the provider and the potential employer. The Registry is updated monthly. Please call (703) 324-7948 between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday, if you would like a copy mailed to you.

Although the Home Care Development Program, through Fairfax County's Department of Family Services Adult and Aging Division, approves prospective providers through interviews, references and background checks, the Program cannot guarantee that an individual listed in the Registry is a suitable provider. It is the sole responsibility of the person seeking to employ a provider to determine suitability. Before contacting individuals on the Registry, please carefully review the following information.

SCREENING PROCESS FOR THE HOME CARE REGISTRY:

Each person listed on the Registry has been screened by Home Care Development Program staff, but no direct caregiving skills have been observed. The screening process involves an application, verification of identity, a face-to-face interview, tuberculosis test, reference checks and criminal background checks. Criminal background checks include a Fairfax County Police Records check, a Virginia Criminal History check, and a Child Protective Services check. Each provider is required to go through a renewal process every two years or sooner depending on the provider's immigration/residential status.

Fairfax County is committed to nondiscrimination on the basis of disability in all county program, services and activities. Reasonable accommodations will be provided upon request.

For information, call the Department of Family Services at 703-324-7800, TTY 711.

FAMILY SERVICES

CHOOSING A PROVIDER:

Prepare to interview your potential provider. It is recommended that employers thoroughly interview any potential worker. The following questions may be helpful in preparing for the interview:

- What is the provider's experience in providing care? Does that experience meet your needs?
- Does the provider have training, certifications, or licenses related to caregiving?
- Does the provider have reliable transportation and car insurance if the provider is expected to provide transportation?
- How will the provider get to work should there be transportation problems?
- Does the provider have recent professional references (not friend or family)?

You need to be aware of the following before the interview:

- Identify which specific tasks are expected to be performed by the provider. Know what your expectations are regarding the outcome of these tasks.
- Identify the specific days and hours of service required and the projected length of time; i.e., one week, three months, etc.
- Know what you are willing to pay the provider for the identified tasks.
- Know how often you will pay the provider; i.e., weekly, which day of the week or month, etc.
- Decide who will be responsible for tax withholdings (state, federal, Social Security/FICA). For questions regarding taxes, contact your nearest Virginia tax office for guidance and forms.
- Will you offer benefits such as vacation and sick leave?
- Will you hire the person on a trial basis? If so, for how long?
- If the provider is giving care during a mealtime, will you be offering the provider a meal?
- Are there restrictions; i.e., no smoking in the home, no substitution of unauthorized provider, etc.?

Shop Around. Interview several individuals until you find a satisfactory match. It is important that both the employer and provider are comfortable with the work arrangement.

Put your work agreement in writing. It is best to put the work agreement in writing. Both you and the provider should have a signed copy of the completed agreement. Periodic reviews and updates are recommended to help keep the arrangement going smoothly.

COMPLAINT PROCEDURE:

Northern Virginia Ombudsman Program: The Northern Virginia Long-Term Care Ombudsman Program serves as an advocacy group where consumers of long-term care or their representative can voice their concerns and have their complaints addressed. The program provides information and counseling on long-term care related topics, including selection, Residents' Rights, and issues related to residents' quality of care and life. The Long-Term Care Ombudsman investigates and works to resolve concerns through confidential complaint counseling, investigation, and negotiation based on Residents' Rights advocacy.

The program works towards a resolution of the problem for a resident, or a group of residents, expressing their expressed concerns, issues, and expectations. A complaint investigation requires a signed waiver of rights to

confidentiality and permits the Long-Term Care Ombudsman to review records and to discuss the individual concerns. Anonymous complaints are accepted, but may limit the scope of the investigation. Services, including complaint counseling and complaint investigation, are free, kept confidential and are not subject to the Freedom of Information Act (FOIA). For concerns about long-term care services, including home health care, please call 703-324-5861.

Adult Protective Services: Adult Protective Services (APS) investigates reports of suspected abuse, neglect or exploitation. To make a report to APS, please call the APS Hotline at (703) 324-7450, or 711 (TTY). APS publishes an information brochure which defines abuse, neglect and exploitation. This brochure can be requested through the above numbers.

By Virginia Law, mandated reporters include: law enforcement officers, home health aides, nurses, physical and occupational therapists, social workers and anyone paid to provide care to adults. Others may voluntarily report suspected cases. Anonymous reports are accepted.

The Virginia General Assembly Law (S63.1-55.3D) provides that anyone who in good faith reports suspected abuse, neglect or exploitation, is immune from criminal or civil liability. The identity of the reporter will not be disclosed, except with the permission of the reporter or by court order.

HOME CARE DEVELOPMENT PROGRAM:

As stated earlier, this program manages the Home Care Registry for the Adult and Aging Division, Department of Family Services. Please call the Home Care Developer at (703) 324-7936 if you would like to provide feedback regarding the services of a provider from the Home Care Registry.
